## *Canukeena Holler*

Canukeenas let us holler  
 Into music let us waller,  
 If the words you cannot teller,  
 Holler—just the same.

Loose your belts and let us bellow  
 Louder than the other fellow.  
 Let's pretend we're sweet and mellow  
 Ain't it simply grand.

Tear the roof asunder  
 Never mind a blunder.  
 Those placid guys  
 With sleepy eyes  
 Will surely sit up now and start to  
 wonder.

Shout for joy you Canukeenas  
 Look at the guy who madly leads us  
 We're proud of the land that breeds us.  
 LET US TELL THE WORLD.
